### SKILLS

---

React | Python | Django | Node.js | Git Version Control | HTML | CSS | Bootstrap | JavaScript |  
Tailwind | MySQL | MongoDB | Sass | Laravel | Deployment | Wordpress

### PROFESSIONAL EXPERIENCE

---

#### WebQ Media - Software Developer

01/2024 – 10/2024

Kozhikode, India

- Develop and maintain web applications using React, Python, WordPress and Node.js
- Collaborate with product managers and UX/UI designers to ensure seamless feature delivery and user-centered design.
- Optimize applications for maximum speed, scalability, and cross-platform compatibility
- Architect and implement reusable, modular, and maintainable codebases, improving team productivity and reducing technical debt

#### Brandhackers - Software Developer

9/2022 – 12/2023

Kozhikode, India

- Developed and maintained dynamic, user-friendly web applications
- Translated design mockups into responsive and interactive interfaces, ensuring seamless user experience across devices and browsers.
- Utilized React hooks, Context API, and Redux for efficient state management and improved app performance.
- Used modern CSS techniques (CSS Grid, Flexbox, SASS) to create responsive and flexible layouts
- Worked with version control systems (Git) to manage code changes and collaborate effectively within a team

### PROJECTS

---

#### AI Assessment Dashboard

Developed a React-based dashboard for AI assessment, integrating the ChatGPT API into the Django backend to process natural language queries and generate responses.

Tool Used : React, Python, Django, Git, MongoDB, ChatGPT API

#### React & Laravel E-commerce Application

Developed a full-stack e-commerce platform using React for the front-end and Laravel for the back-end, creating a user-friendly shopping cart and checkout process with advanced filtering and sorting features for product discovery.

Technologies Used: React, Redux, Laravel, MySQL, Axios, Bootstrap, JWT, SASS

### EDUCATION

---

#### Bachelor of Computer Applications

2016 – 2019

Prabitha College Calicut

Kozhikode, India
